

Statement of Purpose

IDEA (Innovate, Develop, Experiment, Access) **Grants** is a program of the CRD Arts & Culture Support Service. It is a flexible, small-awards program designed to respond to one-time opportunities and to encourage new, innovative, or developmental arts projects and events. IDEA Grants are intended to encourage and support arts participation by organizations that are not eligible for other CRD Arts & Culture Support Service programs.

IDEA Grants support organizations for new projects, opportunities or events that offer a potential arts impact within the capital region. Recurring activities will be considered if they address the main goals of the program which are to be innovative, developmental, experimental, and/or to provide access.

The CRD Arts & Culture Support Service is funded by the following jurisdictions: Saanich, Victoria, Oak Bay, Esquimalt, View Royal, Highlands, Metchosin, Sooke, and Southern Gulf Islands Electoral Area.

Assessment

- Applications are assessed by the CRD Arts Advisory Council whose recommendations are subject to approval by the CRD Arts Commission.
- The CRD Arts and Culture Support Service is committed to ensuring that the choice of assessors reflects both the diversity of the region and grant applicants and will compensate external assessors who are not part of the Arts Advisory Council, at established assessor compensation rates, to ensure a diversity of viewpoints on each assessment panel.
- Notification of awards may take up to 10 weeks following submission. Please plan accordingly.
- Applicants are notified of the results of their application by email after the CRD Arts Commission has reviewed recommendations.
- **Funding cannot support activities that have started or that have been completed before the approval of funds.** Please contact staff if in doubt.
- Eligibility and acceptance of your application does not guarantee funding just as receipt of funding does not guarantee future support.

Commitment to Equity

The CRD Arts and Culture Support Service is committed to supporting the development of equity in the region's arts sector. We are taking action to embed values of equity, diversity, inclusion, access, and cultural self-determination into our processes and policies, understanding that these concepts are not a static set of goals, but rather an evolving journey.

The aim of our commitment and these actions is to support the full diversity of artistic and cultural expression in the region. Recognizing that persistent and systemic discrimination has prevented equity-seeking groups from accessing resources, we are making changes to expand access and remove barriers to our funding. Equity-seeking groups include, but are not limited to, First Nations, Inuit and Métis people, those who are racialized, Deaf people, LGBTQ2+ people, and those with disabilities.

Process Support

Applicants who are Deaf, hard of hearing, or have a disability and who need support to complete their grant applications can apply for funds to cover the costs of assistance from Service Providers. Up to \$500 is available for each eligible applicant in a calendar year.

Grant recipients who need to develop their Final Report verbally or in Sign language or need other supports can request this through CRD Arts & Culture. The requirement for this support must be directly related to being Deaf or having a disability. This support is a contribution towards the costs of transcription services or Sign language interpretation to enable the recipients to submit their report in written English.

Requests for process support, for either grant applications or final reports, require approval from CRD Arts and Culture. Please contact CRD Arts and Culture at least three weeks before the deadline to determine eligibility, request support funding, and to review the process for payment to be made to your Service Provider.
