INSTRUCTIONS

1. Demolition and renovation waste is only accepted at Hartland Landfill with an approved permit issued by the Capital Regional District (CRD). Contaminated demolition and renovation waste is prohibited from disposal.
2. Evaluation of this application may take up to three business days.
3. Hazardous materials assessment surveys and supporting analytical data must be submitted for all demolition and renovation waste destined for the landfill.
4. The following is required prior to permit issuance:
 - Hazardous materials assessment
 - TCLP for leachable lead (where there is lead paint present)
 - Confirmation of abatement document including air clearance if applicable
5. Per Bylaw No. 3881, Hartland Tipping Fee and Regulation Bylaw, all prohibited and recyclable materials must be removed, including but not limited to: drywall, metal, asbestos, PCBs, etc.
6. Once the permit is issued, a disposal appointment must be made by calling: 250.360.3410.
7. The person/company hauling the waste must bring a copy of the clean demolition waste permit with the **Waste Carrier Section completed for each disposal appointment.**
8. Permitted wastes are accepted at the landfill, by appointment only, Monday to Friday between the hours of 9 am and 5 pm. **A minimum of 24 hours notice is generally required.**
