

UPDATE

August 12, 2019

Macaulay Forcemain Installation: Bewdley Avenue

Construction of the Macaulay Forcemain is anticipated to progress onto Bewdley Avenue the week of August 19. Due to the alignment of the pipe near the centre of the road, the contractor, Kenaidan Contracting Ltd., will build a temporary road on the south side to provide driveway access for local residents only. Bewdley Avenue will be closed to all other traffic with a detour in place.

What to Expect

- Beginning August 14, gravel will be placed on the edge of properties next to the curb on the south side (odd-numbered addresses) to create a temporary road for residents to access their driveways.
- Steel plates will be used to provide access to homes on the north side (even-numbered addresses) when there is an open trench.
- Extra parking spaces will be available on Anson Street while this work is underway.
- Tree trimming and removal of one tree will be required to facilitate the temporary road.
- Light standards will be temporarily relocated.
- The area will be restored once the work is completed.

Work Hours

- 7:00 a.m. to 7:00 p.m. Monday to Friday
- 9:00 a.m. to 7:00 p.m. Saturday
- Occasional Sunday work may be required from 9:00 a.m. to 7:00 p.m.

Thank you for your patience as this work is completed.

Macaulay Forcemain Alignment
